CLAUS EGGERS SØRENSEN

THE DESIGNER

From Amsterdam, in the Netherlands, Claus Eggers Sørensen is a typeface designer known for creating the typefaces Playfair Display and Inknut Antiqua.

He has a background in graphic design and art direction, and has a masters in typeface design from the University of Reading.

Based on transitional typefaces from the mid-to-late 18th century such as Baskerville, Playfair Display puts a modern twist on a classic font. With beautiful line weight contrast and light, gentle curves, Sørensen's work is truly a masterpiece.
